

## TECHNICAL DATA SHEET

### Product Identification

Part Number:	10040-101
Description:	Labrador Tea Hydrosol - ORGANIC
Part:	Leave and twig
Chemical Identification:	<i>Ledum groenlandicum</i> , <i>Rhododendron groenlandicum</i>
INCI Name:	<i>Ledum groenlandicum</i> (Labrador Tea) Hydrosol
Purity:	100% pure and natural
Country of Origin:	Canada
EINECS Number:	297-236-1
CAS Number:	93384-25-9
HS Code:	33019090

### Certification

### Organoleptic properties

Property	Specification
Aspect	Liquid
Color	Clear
Odor	Sweet, Herbal

### Chemical and Physical properties

Property	Specification
Shelf life	3 years
Specific gravity	0.99-1.01

### Main components

Component	CAS	Specification
Water	7732-18-5	99.1-99.5%
Labrador Tea oil	93384-25-9	0.5-0.9%

### Handling

See Safety Data Sheet (SDS) for handling conditions.
